Weekly Update

Our children were excited at the start of the week to hear about our introduction of 'Subject Champions' and it's great to see how many applications have already been handed in. The children still have until next Friday to apply and the first three curriculum areas we are looking at are: History, Geography and Science.

10 of our Year 5 children enjoyed participating in a Science afternoon with other schools at Copley. They made a model of the Solar System and spent time in a Planetarium.

Well done to our Girls Football Team who took part in a tournament at Halifax Indoor Football Centre on Thursday, they made it to the quarter finals.
