Weekly Update

Year 4 enjoyed a creative afternoon this week with their class mates and family members as they all participated in a Family Learning session together. The children made Diorama's of scenes from the Polar regions linked to what they are learning about in Geography.

Our Year 5 children took part in the annual Space Camp after school session. They participated in an

Astronaut Bootcamp, space food taste test, made rockets and star constellation viewers and completed a space quiz. Unfortunately it was too cloudy to see the moon with the telescope. Well done Year 3 for receiving your reward of a non uniform day for achieving your class goal.
